

Dr. Heidi Kellokoski-Kiiskinen

President FEEVA

Dr. Heidi Kellokoski-Kiiskinen is an experienced equine practitioner working in her own clinic in Finland. She has also previously worked as a breeding vet in different studs. She has been strongly involved with international veterinary policy making for over a decade being currently the President of FEEVA (Federation of European Equine Veterinary Associations). In her freetime she breeds horses among other things. <https://feeva.fve.org/>
